Defendant.	)	
_____	)	

This matter is before the Court on defendant's motion for copies (Filing No. [108](#)), and application to proceed *in forma pauperis* (Filing No. [109](#)). Title 28, U.S.C. § 1915, provides for proceedings *in forma pauperis* in relation to the commencement, prosecution, or defense of any suit, either civil or criminal, or an appeal therein. There is no provision in the code for granting leave to proceed *in forma pauperis* in order to enable defendant to obtain copies of documents that are on file.

In addition, the Court has reviewed the information submitted (Filing No. [111](#)) and believes that the cost of approximately \$17.00 for the documents sought could be covered by defendant. In any event, those types of costs are not ones that may be covered by an application for leave to proceed *in forma pauperis* pursuant to 28 U.S.C. § 1915. For these reasons, the motion for copies and the application will be denied. Accordingly,

IT IS ORDERED that defendant's motion for copies and his application to proceed *in forma pauperis* are denied.

DATED this 15th day of September, 2010.
